

# Wedding Stationary Design

## Guess what?

Your photographer is also an awesome Graphic Designer!

I offer design services for all your Wedding Stationary necessities including Save the Dates, Monogram/Logo design and of course, Wedding Invitations. The Wedding Invitation is the first little peek your guests will have into your big day. Your design will be completely unique to the two of you. We will work together to create an invitation that reflects your personality and style!

A benefit of having the same person designing your wedding stationary and doing your photography is that I get to know you really well. This enables us to be super comfortable with each other and allows me to capture your wedding exactly the way you envision it. Also, if I am designing your Wedding Album, the design elements we create for your stationary will be incorporated into the layouts, for an end product that is truly customized. If you choose to do them, Save the Dates will include photos from your Engagement Session. Not only that, but the design elements created for you can be used throughout your wedding. You will be free to use them in your own projects, such as escort cards, favors, programs, menus, or wherever you see fit! I offer standalone design services or enjoy a discount if you book your wedding photography through me.

## Design Fees

*Design Fee includes several initial design proposals. After you have chosen your favorite, we will go through your first round of edits. Fee includes up to 3 rounds of edits. In most cases this will be plenty. Additional edits after 3 are \$20 per edit.*

<b>Service</b>	<b>Discounted Fee</b> <i>(If also booking wedding photography)</i>	<b>Regular Fee</b>
Wedding Invitations	\$150	\$215
Save the Date	\$75	\$110
Monogram/Logo Design	\$25	\$50

*Printing and assembly vary based on design. You and I will work together to find the best way to have your invitations printed and assembled based on your tastes and budget.*

**Need help with anything else? Ask me about quotes for having other details of your wedding professionally designed.**
